

Member Benefits

EarthShare of Texas members represent the best environmental charities in the state of Texas.

About Us

EarthShare of Texas is the leading nonprofit federation of Texas-based environmental and conservation charities. Our work is focused on leveraging corporate relationships to raise funds for the preservation of Texas' natural resources and abundant beauty. ESTX members enjoy stable financial support to achieve their mission and are plugged into a network allowing for collaboration and collective impact.

Fundraising Partners

Easy participation in state and private workplace giving campaigns

Consistent source of unrestricted funds with quarterly disbursements

Network with ESTX-vetted environmental charities across the state

Amplify your message with the collective voice of the ESTX network

Benefit from inclusion in new and ongoing ESTX business partnerships
