

we challenge you...

#MyEarthMyTexas is a state-wide public sustainability challenge during Earth Month (April), where individuals can post their green tips and accomplishments to inspire others via social media. We challenge businesses to join the campaign as a supporter, advocate, or change-maker. Sponsors receive many benefits, including marketing exposure with campaign participants, featured company spotlights, and unique employ engagement activities for your team.

Showcase Your Green Values

Co-market with a leading
Texas environmental
federation of 35+ nonprofits
with a collective audience of
over a million. Share with
your customers and
communities your green
values with ESTX led
engaging content, and help
your audience get out into
the community, too!

Support Local Impact

With your sponsorship, you support various environmental missions across the state. This awareness campaign draws attention to programs in environmental education, conservation, water quality, trail and park development, and various community projects.

Employee Engagement

With qualifying sponsorship levels, your employees can join in on the fun! Employees can participate in the Business Sustainability Challenge, where we provide your team with dozens of opportunities to be more sustainable throughout the day, while tracking measurable eco insights.

Who is ESTX

EarthShare of Texas (ESTX) is an environmental nonprofit federation. We raise funds and awareness for Texas-based nonprofits. From air quality to wildlife rehabilitation to the development of green building technology, our members work to protect the environment. The My Earth My Texas campaign is an awareness and fundraising campaign developed to support our members and their missions.
