

EarthShare Texas is a federation of Texas-based environmental and conservation nonprofits.

Mission

Through collaborative fundraising and partnership building, EarthShare Texas empowers mission-driven members to pursue positive environmental and health impacts across the Lone Star State for the benefit of all.

Vision

A collaborative alliance of environmental organizations, public institutions, and businesses conserving and sustaining a healthy environment for all Texans.

Why EarthShare Texas?

Texan, Born & Raised

Est. 1992, we are a collective of and support Texas environmental organizations with local, community-informed solutions.

Established Infrastructure

EarthShare Texas has the experience and capacity to absorb large donations and distribute funds for maximum impact across the state.

Trusted Network

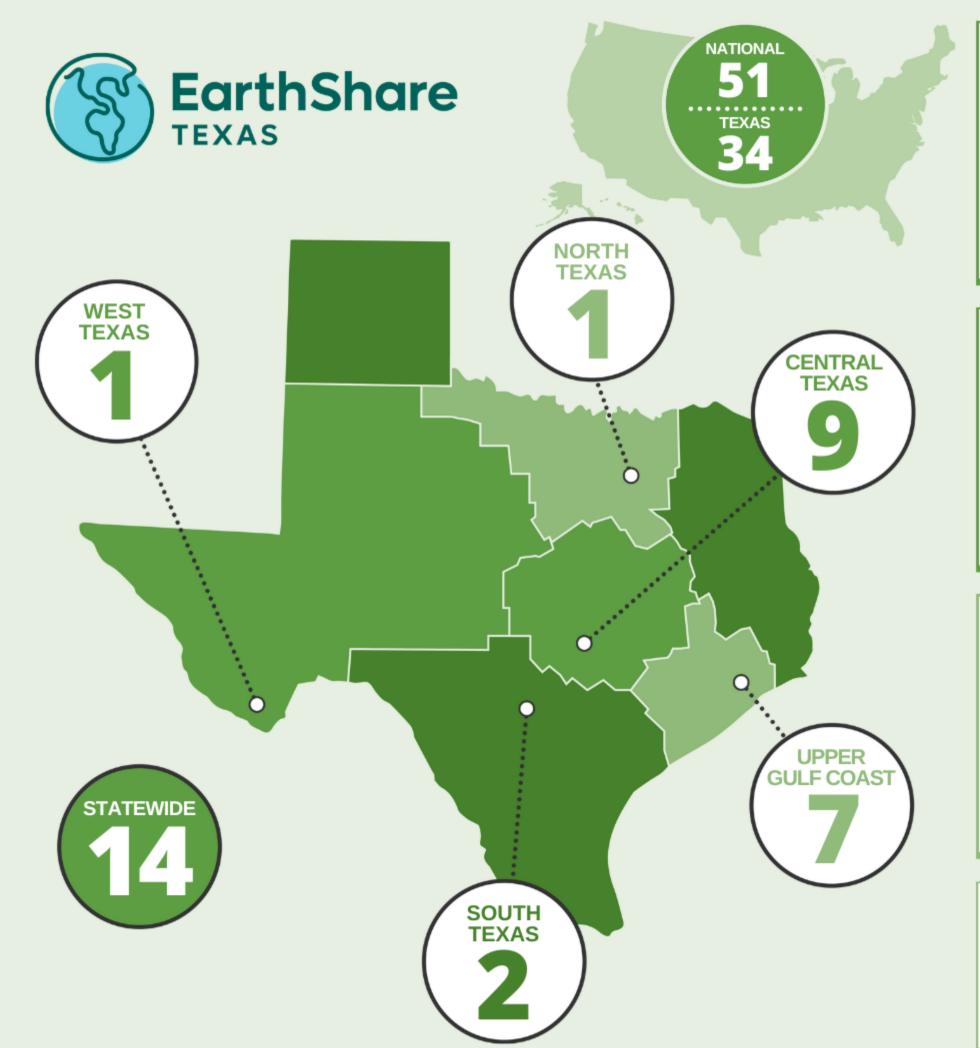

Member organizations are vetted annually by ESTX staff to ensure your contribution is used for lasting change.

Collective Power

By donating to our federation, you empower members to focus on local impact, while collectively pursuing a better environment for all Texans.

Tax Deductible

Contributions are taxdeductible to the fullest extent allowed by law.

Our Unique Value

Proven track record: We've worked with Texas businesses in employee engagement since 1992, starting with our workplace giving campaigns.

Diverse Impact: working with more than 30 nonprofits across the state, active in areas such as: conservation, environmental education, reforestation, renewable energy, etc.

Vetted Network: ESTX nonprofits are vetted for mission alignment, efficiency and efficacy, and nonprofit operational standards.

How we support your business

Connect your employees to impactful nonprofits in your community.

Measurable impact statistics that align with your sustainability goals.

We're an extension of your team, sharing insight, comms templates, and reporting.

Support in telling your story, including media kits, testimonials, and other materials.

Employees expect more.

In our hyper-competitive job market, employers must address employee preferences.

93%

of corporate employees under 30 agree that the more socially and environmentally responsible their companies become, the more motivated and loyal they will be.

89%

of millennials expect employers to provide hands-on activities around environmental responsibilities in the workplace (vs. 77% U.S. average). 83%

of millennials want their company to provide support and resources for them to make positive social and environmental changes at home (vs. 70% U.S. average).

Volunteering

ESTX coordinates a volunteer event with one or multiple nonprofit partners. Feels good after a day getting dirty!

The Sustainability Challenge

Our platform, EarthShare Engage, enables employees to form teams and compete to be the greenest team.

Impact Reporting

ESTX creates a custom impact report for your volunteer event and the sustainability challenge.

Learning & Networking

Volunteer Event

ESTX matches your company with a nonprofit near you. Includes admission to the "Mission Reveal" Event and a shout out on our website.

Projects that need YOU

Park cleanup, oyster reef restoration, marsh grass planting, tree planting, park building, trail maintenance, invasive species removal, and other outdoor activities.

Mission Reveal

Event

The fun kicks off with this educational, virtual event to introduce companies to their nonprofit volunteer match and other participating nonprofits through an interactive game. Teams then meet with their project match to learn more about their mission and the impact they'll be making during Earth Month.
